Information the Stephen W. Hinch Website Collects and Uses

Our Site is hosted on the Wix.com platform. Wix.com provides us with the online platform that allows us to provide you our services. Your data may be stored through Wix.com's data storage, databases and the general Wix.com applications. They store your data on secure servers behind a firewall. The following describes how we use the different classes of information we receive.

Information You Give Us: We receive and store any information you enter on our website or give us in any other way. We collect personal information such as your e-mail address, name, home or work address and telephone number, as well as the details of your requests or comments. We use the information that you provide for such purposes as responding to and processing your requests and improving our products and services. For these purposes we may contact you via email, telephone, text messages, and postal mail.

As further protection of your privacy, we do not take book orders through our Site. Rather, we direct you to purchase through brick-and-mortar retailers that are local to your area or through reputable national online providers such as Amazon or Ingram Books. This avoids the need for you to provide personally identifiable financial information to us, or for us to protect such information.

Anonymous Demographic Information: In addition to personal information that you give us, we may also track certain anonymous information that we may analyze or share with third parties on an anonymous, aggregated basis. This information is used to improve our website, share "ratings" information with partners, and to conduct market research.

Automatic Information: We receive and store certain types of information whenever you interact with us. For example, like many Web sites, we use "cookies," and we obtain certain types of information when your Web browser accesses the Site. We do not, however, use any type of spyware on our website. Our website never uses cookies to retrieve information from your computer that was not originally sent in a cookie. To learn more about cookies, we encourage you to visit www.allaboutcookies.org.

Privacy of Minors

We do not knowingly solicit or receive information from individuals under the age of 13.

Restrictions on Disclosing Information to Third Parties

We are not in the business of selling your Personally Identifiable Information to others. We do not reveal any Personally Identifiable Information about you we have collected to unaffiliated third parties, unless: (1) you request or authorize it; (2) the information is provided to help complete a transaction for you; (3) the information is provided to comply with the law, applicable regulations, court orders or subpoenas, to enforce our Terms of Use or other agreements, or to protect our rights, property or safety or the rights, property or safety of our users or others (e.g., to a consumer reporting agency for fraud protection etc.); or (4) the information is provided to our agents, outside vendors or service providers to perform functions on our behalf (e.g., analyzing data, providing marketing assistance, providing customer service, etc.). We may also gather aggregated data about you and disclose such aggregated (but not personally identifiable) information to third parties for promotional or other purposes.

Inapplicability of Privacy Policies of any Linked Sites or Other Parties

The Site may contain links to other sites such as affiliates, subsidiaries or other third-party distributors and sales representatives. This Privacy Policy only addresses our Site's use and disclosure of your Personally Identifiable Information collected by us. While we try to link only to sites that share our standards and respect for privacy, we are not responsible for the privacy practices of any third parties or the content of linked sites, and we encourage you to read the applicable privacy policies and terms and conditions of such parties or web sites.
